To Whom it may concern:

EU Waste Framework Directive:

As an Israeli based company, Palziv has not participated in nor been requested to provide an EU Waste Framework policy or compliance document to any of our active customers within our European customer base. Palziv is in the process of developing a Sustainability Policy that addresses many of the subjects in the EU Waste Directive. When our policy is complete, we can forward a copy to you for your reference.

Regards,

A handwritten signature in black ink, appearing to read "Tom Lehnertz".

Tom Lehnertz
PNA Director of Product Development
