

Manufacturer's Declaration

February 23rd, 2024

We hereby declare the following:

Palziv North America does not intentionally add or use the flame retardant Dechlorane Plus (CAS 13560-89-9) in the manufacturing of its Vizion or Fuzion XLPE foam products. Therefore, to the best of our knowledge, Vizion and Fuzion XLPE foam products do not contain Dechlorane Plus.

Authorized by:

A handwritten signature in black ink that reads "Joseph R. Andolsen".

Joe Andolsen

Process and QA Engineer

Palziv North America
