Manufacturer's Declaration

3RFOAM products, along with Palfoam™, Galfoam™/Vizion™, and Fuzion™ cross-linked polyethylene foam standard grades (in both blocks and rolls), and Palziv's EPDM foam—as well as CD/SD grades manufactured by Palziv—when used under standard relative humidity conditions and without exposure to UV radiation, will not undergo significant physical property deterioration or color change for a period of at least 20 years.

Storage of Raw Material Sheets

With respect to the storage of Palziv's raw material sheets, Palziv confirms that our sheets can be stored for extended periods in closed indoor warehouses.

For outdoor storage, it is essential to ensure that the sheets are properly packaged and not exposed to direct sunlight.

Palziv sheets containing adhesive applications must not be stored outdoors under any circumstances.
