Manufacturer's Declaration

Regarding conformance with the following directives:

1. 2037/2000/CE Chlorofluorocarbons (CFC) and Bromochloromethane.
 2. 2003/11/CE Penta-BDE, and Octa-BDE.
 3. 2002/96/CE Waste of electrical and electronic equipment (WEEE).
- Palziv materials do not contain either CFCs or Bromochloromethane.
Palziv materials do not contain either Penta-BDE or Octa-BDE.
Palziv materials may be reused or recycled as delineated in directive 2002/96/CE.

Palziv FR materials should be removed from separately collected WEEE in accordance with annex II of 2002/96/CE.
